addition early 20th c.), frame housing for mill wheel on W elevation (removed). Built 1721 (date stone), Carter, Scott and Willis, builders; most original machinery present 1958; large shed-roof dormer added on W roof slope 1960s; used as residence and gallery 1971. Grist mill has been in almost continuous operation since its erection until the mid 20th c.; ground grain for Washington's Army at the Battle of Brandywine and Valley Forge. Excellent example of an early grist mill with few alterations. 1 ext. photo (1958), 1 ext. photocopy from 1899; 4 data pages (1958).
